We warmly invite you to apply to be a sponsor for EuroCham or for some of our events.

**SPONSORSHIP OPPORTUNITIES**

**Our Events**

EuroCham esteems itself in offering a variety of high level events. We cater to each industry by offering the appropriate platform to expand and develop their business.

We are a non-profit organization that supports European business organizations to build connections with other European organizations and promote business relations with Singapore. All of our events are primarily focused on promoting better business practices and unions.

**Why be part of our sponsors?**

The recognition of sponsorship will be widely distributed among our different members, partners and our larger databases which are not only direct corporate members but also the wider European and Singaporean business community, the Singapore government, the diplomatic circle and key partners across ASEAN.
