

Mr. Michael Moran: Managing Director, Global Risk Analysis - Control Risks

"Michael Moran is Managing Director, Global Risk Analysis at Control Risks in the Americas. A foreign policy analyst, author, and geo-strategist for investment banks and other institutions, he concentrates on macro risk and US energy, foreign policy and global economic matters.

He is author of *The Reckoning: Debt, Democracy and the Future of American Power*, and co-author of the *The Fastest Billion: The Story Behind Africa's Economic Revolution*. He is also executive producer of three Emmy award winning documentaries for the Council on Foreign Relations.

Mr. Moran is an adjunct professor of journalism at Bard College, and was the Hearst New Media Teaching Fellow at Columbia University Graduate School of Journalism in 2003."

He will discuss on geopolitical trends and shifts in the global energy security landscape, and the political and business implications for the year ahead.
