2017 Advertisement Opportunities – Social Media

EuroCham is pleased to present new advertising opportunities on our social media platforms: Twitter and LinkedIn. This opportunity is carefully monitored by EuroCham in order to make sure this information is used sparingly in order to be effective.

LinkedIn: 784 Followers

Twitter: 351 Followers

*Numbers might rapidly change throughout the year.
Current numbers from 14/11/2016*

Publishing a post (events/news) on our social media represents a great opportunity for your company/organization to:

- Promote your event or share your news to our followers (members and non-members)
- Increase your network by reaching out to our database
- Enhance your brand profile and company's exposure to the European Business community in Singapore
