

Sponsorship Invitation for European Networking Nights

The European Networking Nights are organized by EuroCham in association with the European National Business Groups. The aim of these events is to provide a platform for the European and Singaporean business community at large to network and access a wide and **diversified audience**. The European Networking Nights are attended by **90 to 125 participants** on average and are held four times annually. The invitation is extended to all members of the European National Business Groups, and has an estimated **outreach** to more than **5,000 people**.

Joining the European Networking Nights as a sponsor gives you **access** to **targeted audiences** and enables you to enhance your corporate image and **generate brand awareness**.
