Capella Singapore

300 Attendees

The EuroCham Gala Dinner marks a special milestone in 2026 as we celebrate 25 years of EuroCham in Singapore. This anniversary edition will bring together the European and Singaporean business community to reflect on EuroCham's legacy in strengthening Europe–Singapore relations, while looking ahead to the next chapter of partnership, growth and shared impact.

As EuroCham's flagship annual gathering, the Gala Dinner convenes a distinguished audience of C-suite executives, EU Member State Ambassadors, government representatives and key stakeholders for an evening of high-level engagement, recognition and celebration.

Under the theme **"Celebrate the Past. Toast to the Future."**, the evening will recognise the companies, institutions and individuals who have contributed to EuroCham's journey over the past 25 years, while exploring the partnerships and ideas that will shape the future of Europe–Singapore collaboration.

In 2026, our Guest-of-Honour is
Mr Teo Chee Hean
Chairman of Temasek Holdings
